The Native American name controversy relates to the dispute over acceptable ways to refer to the indigenous peoples of the Americas and to broad subsets thereof, such as those living in a specific country or sharing certain cultural attributes. Early settlers often adopted terms that some tribes used for each other, not realizing these were derogatory terms used by enemies.

Indigenous peoples of the Americas - Wikipedia

The Native American Church meeting is one contemporary inter-tribal form of the ancient peyote spiritual tradition, represented throughout much of North America. With its deeply integrated elements of artistic expression, the cultural context of the peyote ceremony affords an approach to the major issues of Native American aesthetics. Is some universal aesthetic applicable to Native American art?
