I really enjoyed Salt by Nayyirah Waheed, so I thought I would give her other poetry collection a go as well. Nejma was definitely an interesting collection as well, however, it didn't manage to woe me as much as its predecessor. Nonetheless, Nayyirah remains a super fascinating figure to me and I wish she was still publishing today.

## **Salt Nayyirah Waheed**

Salt was my first introduction to Nayyirah Waheed. Then I read Nejma and I became enamoured all over again. I feel that it's futile to compare the books because they each have a distinct personality in how they have been created. The poems in Nejma speak to me in ways I hadn't experienced when learning about poetry in High School.
